Lean on me

Sometimes in our lives
We all have pain
We all have sorrows
But if we are wise
We know that there's
Always tomorrow

If there is a load
You have to bear
That you can't **carry**
I'm right at the road
I'll share your load
If you just **call me**.

Lean on.....

Lean on me when you're not strong
I'll be your friend
I'll help you carry on
For it won't be long
Till I'm gonna need somebody to lean on.

You just call on me brother
When you need a hand
We all need somebody to lean on
I just might have a problem
That you'll understand
We all need somebody to lean on

It's me.

It's me, it's me, it's me, o, Lord

that the builders rejected
Mountain and the mountain stand by me
When the world around me is sinkin' sand
On Christ the solid rock I'll stand
When I need a shelter,
When I need a friend,
I go to the rock.

Silent Night

Silent night Holy night
Silent night Holy night

All is calm all is bright
Oh.....

'Round yon virgin Mother and Child
Oh.....

Holy infant so tender and mild
Oh.....

Sleep in heavenly peace
Sleep in heavenly peace

Silent night, holy night,
Shepherds quake at the sight.
Glories stream from heaven afar,
Heav'nly hosts sing Alleluia;
Christ the Savior is born;
Christ the Savior is born.

Silent night, holy night,
Son of God, love's pure light.
Radiant beams from Thy holy face,
With the dawn of redeeming grace,
Jesus, Lord, at Thy birth;
Jesus, Lord, at Thy birth.

Oh what a wonderful child

Jesus, Jesus
Oh what a wonderful child
Jesus, Jesus
So lowly meek and mild
New life, new hope, new joy He
brings
Won't you listen to the angels sing
Glory, glory, glory
To the new born King. (x2)

He was herald by the angels
Born in a lowly manger
The virgin Mary was His mother
And Joseph was his earthly father
Three wise men came from afar
They were guided by a shining star
To see King Jesus where He lay
In a manger filled with hay.

Jesus, Jesus,
Oh what a wonderful.....

Sweet beautiful, soul saving joy.

*Listen to the music,
a sound of the angels.
Come and see the child
who can make you whole.
Lying in a manger,
away from harm and danger.*

**Oh Joy, joy, in my soul
Oh Joy, joy, in my soul**

*He's sent from up above,
this special gift of love,
more precious
than silver or gold.
He was sent this holiday
to take our pain away.*

Shout it from the valley.
Oh tell them of the baby,
Its swaddling clothes.

There's no Christmas without you

1. It's time again for the holidays,
with pain and sorrow miles away.
But in my spirit I've gotta say,
there's no Christmas without You.

2. With caroling and mistletoe,
children playing in the snow,
but in their hearts the world must know
there's no Christmas without You.

chorus

Your gift of love, such a sacrifice to give;
sent from above so that we shall forever live,
with our voices lifted high,
praises reaching to the sky;
Jesus You're the reason why
there's no Christmas without You.
There's no Christmas without You.

instr. solo - chorus - vamp

vamp : There's is no Christmastime
without You Jesus!

So you would come

*Before the world began,
You were on his mind
And ev'ry tear you cry
Is precious in His eyes
Because of his great love,
He gave His only Son
Ev'rything was done,
so you would come.*

*Nothing you can do
Should make Him love you more
And nothing that you've done
Could make Him close the door
Because of His great love
He gave His only Son
Everything was done
So you would come.*

*Kor :
Come to the Father
Though your gift is small
Broken hearts, broken lives,
He will take them all
The power of the Word,
The power of His blood,
Ev'rything was done
so you would come.*

The blood song.

kor

For it's strong enough
To wash away my sins
And it's pure enough
To cleanse me deep within
And it's real enough
To find me when I'm lost
Great enough, to die upon the cross
*(lead) It doesn't matter what colour You
are*
As long as Your blood was red.

Verse. (lead)

*We may be different but
The God we serve's the same
Yet every Sunday we separate
And bring the Father pain
Your name is higher than any other
Yet You took my place instead
And now my sins are washed away
Because Your blood is red.*

kor

For it's strong enough.....

Vamp

*(unison) Oh precious is the flow
That makes me white as snow*

No other fount' I know

*(lead) It doesn't matter what colour
Your are*

As long as Your blood was red.

It doesn't matter what colour You are

As long as Your blood was red.

It doesn't matter what colour You are

As long as Your blood

The blood song. By Kirk Franklin

Verse (lead)

1. You have the power
To make the seasons change
The river flows for You
The wind whispers Your name
For me You left Your throne
And traded crown for thorns instead
I'm saved within not by Your skin
But because Your blood was red

2. Some say You're black, You're
white
They question if You're real
We treat You like we treat ourselves
I wonder how You feel
To see Your children fight in spite
Of the tears for us You've shed
Doesn't matter what colour You are
As long as Your blood was red

He that the sun has set free

He that the Son has set free

Is free indeed

No more chains

of slavery

Truth has triumphed

with liberty

He that the Son has set free

Is free indeed

I remember standing on the auction block of sin
Satan controlled me – He had the highest bid.
But ownership was transferred, way back on Calvary
Jesus whispered: “Son, I bought you, so that you would be set free.”

Now I belong to Jesus – I’m a child of the King
I’ve traded filthy garment for a robe of royalty
The chains that used to bind me, they are laying at my feet
Jesus conquered sin and death then, so that I could be set free!

Light of My Life

Unto You,
Lord, I lift my eyes when
life is too hard to face on my own.
Take my hand
Lord, please guide my feet when
darkness surrounds and all hope is gone.

You are the light of my life,
I worship you.
Only with you by my side
I dare walk through the night.
You give me strength when I’m weak,
I praise your name
Only with you by my side
I can go on.

Unto you, Lord,
I lift my eyes when
life is too hard to face on my own.
Take my hand,
Lord please guide my feet when
darkness surrounds.
When all hope is gone bring me safely home.

Thank you Lord
Thank you Lord for one more, one

one more day.

In the New Millennium

In the New Millennium
Let's join the celebration
Heaven, earth and nations sing
a joyful symphony
only love can make this world
a better place to live in
in the New Millennium

In the bleak mid-winter

In the bleak mid-winter
Frosty wind made moan,
Earth stood hard as iron,
Water like a stone;
Snow had fallen, snow on snow,
Snow on snow,
In the bleak mid-winter,
Long ago.

Our God, heav'n cannot hold him,
Nor earth sustain;
Heav'n and earth shall flee away
When he comes to reign;
In the bleak mid-winter a
stable place sufficed
The Lord god almighty
Jesus Christ.

Enough for him, whom cherubim
worship night and day,
a breast-ful of milk and
a mangerful of hay;
enough for him, whom angels
fall down before,
the ox and ass and camel
which adore.

What can I give him,
Poor as I am?
If I were a shepherd,
I would bring a lamb;
If I were a wiseman,
I would do my part; yet
what I can I give him,
give my heart.
